FABRIC GUIDE

PERFORMANCE GEAR THAT ACTUALLY PERFORMS.

PERFORMANCE MICRO MESH

100% polyester birdseye micro-mesh knit jacquard

Engineered with an ultra-soft micro-mesh, creating a minimally textured surface, ideal for printing team logos.

PERFORMANCE TRIBLEND JERSEY

50% polyester, 37.5% combed and ring-spun cotton, 12.5% rayon

The first ever high endurance performance triblend fabrication engineered with extreme performance capabilities, but feels like a cotton tee.

POLYESTER INTERLOCK

100% polyester interlock

This smooth and sleek performance fabric features dry wicking and antimicrobial technology, and a tight cross knit for function and mobility, ideal for printing team logos.

NYLON SPANDEX

88% nylon 12% spandex (W5009, W5019, W2022)

90% nylon 10% spandex (W6507, W2002, W7000)

This smooth and silky blend makes a great performance fabric with dry wicking and anti-microbial technology. Stretch Flex™ technology provides added freedom of movement and lasting recovery.
